SUMMARY

I'm a software engineer with 4 years of experience with JAVASCRIPT (which includes 1 year of experience at Mobile Developer with Flutter), with good knowledge of Object-Oriented, Design Patterns, Clean Code and Cloud Services.

Learning new languages and technologies is what I am passionate about. I'm considered a team-player because I like to help others and tend to work well within the group. I can also do some mentoring tasks and do code reviews for other team members.
